

# Up, Up and Away!

# Today we are looking at aerial view or birds eye view.

- Write down what you think this might mean.

# This is an Aerial View/Bird's Eye View

# Aerial View/Bird's Eye View

- Do you think you know what it is now?
- It is as if you are a bird, flying over the top of a place, looking down at it.
- Imagine now, that you have climbed into a hot air balloon and you fly up, up and up in to the sky.
- Look down now...

What can you see beneath you?

I can see: fields, houses, roads, the village shop, the school, the play park...

# Aerial View/Bird's Eye View

I can see: fields, houses, roads, the village shop, the school, the play park...

Now imagine, you are going on the journey again.

You are going to create a 'journey line'. This is a record of the things you can see whilst you are in your hot air balloon – travelling over the place you live.

Click to the next slide to see a birds eye view of Greatworth!

What can you see?

# Greatworth

Here is our school!

# Journey Lines

Use your Activity Sheet to record the landmarks and features that you would see on your journey in your hot air balloon!

The image displays three overlapping activity sheets titled "My Journey Line". Each sheet is designed for a student to record their journey in a hot air balloon. The sheets are white with black text and lines, and are set against a background of stylized red buildings and blue waves.

The first sheet on the left has a star icon in the top left corner. It features a horizontal line at the top for a title, followed by the instruction: "Create a journey line of the journey you took. Record what you saw by drawing pictures." Below this, there are three empty rectangular boxes arranged in a row, with a horizontal line and arrows at the ends passing through them. At the bottom left, there is a small logo for "twinkl" and the text "twinkl.co.uk".

The middle sheet has a star icon in the top left corner. It features a horizontal line at the top for a title, followed by the instruction: "Create a journey line of the journey you took. Record what you saw by drawing pictures." Below this, there are three empty rectangular boxes arranged in a row, with a horizontal line and arrows at the ends passing through them. At the bottom left, there is a small logo for "twinkl" and the text "twinkl.co.uk".

The third sheet on the right has a star icon in the top left corner. It features a horizontal line at the top for a title, followed by the instruction: "Create a journey line of the journey you took. Record what you saw by drawing pictures." Below this, there are three empty rectangular boxes arranged in a row, with a horizontal line and arrows at the ends passing through them. At the bottom left, there is a small logo for "twinkl" and the text "twinkl.co.uk".
